Day at the Capitol (DATC) will take place on **May 7, 2024** at the **Pennsylvania State Capitol**. Our TRU group will travel by **[personal vehicle / rental vehicle / bus]** and we will depart from \_\_\_\_\_ **[LOCATION]** at \_\_\_\_\_ **[TIME]** and will return at \_\_\_\_\_ **[TIME]**.

DATC is an annual event hosted by the American Lung Association, the Pennsylvania Alliance to Control Tobacco (PACT), and the Tobacco Resistance Unit (TRU). During this program, your child will join hundreds of Pennsylvania teens to engage with state legislators, advocating for tobacco prevention and control. In terms of health precautions, DATC organizers will work towards preventative measures based on guidance from health authorities to minimize the spread of illnesses, including the common cold, flu, and COVID-19. While efforts will be made to ensure a safe environment, it cannot be guaranteed that attendees will be entirely shielded from exposure to illnesses. Registered attendees showing signs of illness will be requested to stay home. By signing this document, you acknowledge the nature of the program and grant permission for your child,

\_\_\_\_\_ **[CHILD'S NAME]**, to voluntarily participate in DATC 2023. Additionally, you release the sponsoring organizations from any liability associated with your child's involvement in this program.

As part of this effort, popular social media outlets such as Facebook, Twitter, Instagram and YouTube as well as traditional media will be used as crucial communication vehicles for the TRU program to spread the word about tobacco prevention to others. Any use of your child's name, photo or video image on these media sites in association with this event will be carefully monitored by TRU staff. By signing this document, you are consenting to release your child's name, photo and/or video image taken at this event for use in social and traditional media initiatives associated with TRU.
